“ Many, many condolences primarily to you, Kimmarie, Michael and your beautiful children. The last few times I spoke to Jim he always talked about you and how much he cared about you while looking forward to your next visit. I worked with Jim at the Bank of New York for over 20 years, we bowled together in several leagues and even won the NYC championship among all the major banks in the early 1980's. He was my best friend for years on end and also my best man when I first married in 1971. I visited Jim and Phyllis several times when you were young and often carried you around the block on my skinny shoulders while you were holding on tight and giggling loudly. May Jim finally rest after all he had to go through, I will miss him very much. Heiki E. Fischbach

Cousin Jim Maher has been a part of my family since I can remember. Hunting with my Dad Tom Kilbride and brother Tom Kilbride. Jim started the First Cousins Party. He was at every family event. My Aunt Margaret and I visited him and Phyllis for coffee and cake at their home. I put him on his cousins group (my family) texting so he got all the news. He really enjoyed that. I called him to have a chat which was fun. I will miss you cuz. Rest in Peace Jim. Denise Petrie
