AS

Uncle Jimmy you lit up the room with your beautiful smile. You gave us so much love. We are better because of you. You and Aunt Kathleen were the best neighbours we could ever have - you took us in your hearts and made us part of your family. You were there for the good and the bad. I will never forget you helping me pail out the water from the flooded basement after hurricane Katrina. You were a godsend. We are forever grateful. We love you and We will miss you so very much. Much love Astrid, Alina, Maria and Bruno. ❤️
