“ *'Tis too true what they say about those who are good. Jim was good in so many ways. A lovely man, Green Knight, acolyte of Jimmy Webb not to mention being a superb 1/4 miler for Bob Murphy up at St. Joes. Thinking back is a smile but today's a tear.*

“ *Jimmy- we started at EHS the same year, I remember sitting in room 215 and talking with you every day about life. How a group of us would go out once a month with Dr, Davis and others to a local pub after work. The beginning was crazy with Clark at the helm. you will be missed and you are in my pray's*

“ Having grown up next door and going to grade school with Jimmy I just thought I'd share a few memories. Jimmy was a very talented boy. I remember him playing guitar at a Krivak barbeque while still in grade school and just how amazingly good a guitar player he was. He was also one of the best athletes in our class and you could almost count on winning if he was on your team. We always had fun getting into a little mischief as well. My condolences to the entire Plunkett Family. May God bless Jimmy and you all!

“ Peace out, Jim. My years of teaching with you in the Eastside High School Math Department contain many fond memories and more than a few belly laughs. My prayer for your family is that your gentleness and kindness is joyfully remembered especially in this time of loss and sadness.
