“ Richi, I grew up knowing you and your mother May, spending the summers with my Grandparents Gladys and Clarence Heller. You and your mother were more than neighbors to our family, to my grandparents you were like a second son helping them out a very lot at times in their old age, thank you so much for that. You will always be remembered warmly by the Heller family as an extension of our own family. I remember you going up to the ocean catching blue fish and sharing so many stories with me and my sisters. You watched my sisters and I grow, my son as well, also my cousins and their children and grandchildren too. You fought a very hard and long battle with cancer, at times my Grandmother was so worried that you would pass before her. Now go James Richard Seppi back to the loving arms of your Mother May and your father whom passed when you were a small child to their arms in Heaven. You will always be remembered in our fond memories as well as in our hearts. God bless you and keep you safe Richi.
