“ *So, sorry to hear of Jim's death. Saddened because I didn't get a chance to see him when he was last in my home in Fresno. He visted with my Mother who lives with me. They had a nice visit. I was trying to get a hold of him. His close friend Vicki is ill. This is going to be hard on her as it has been on me. A sad discovery, but on a Sunday morning filled with sunshine and beautiful weather here in Fresno. God bless his soul and all of your family.##imported-begin##Jo Ann Skoufis##imported-end##*
