“ *My deepest sympathies to you and your family on Jeanne's passing. Jeanne and I go back many years through our affiliation with NAMSS. She was one classy lady and a true inspiration to me. She was always willing to share her knowledge and expertise with others and at the same time treated all with deep respect. Besides that, Jeanne was lots of fun and had a wonderful sense of humor. The world is a better place because of Jeanne; she made her mark. You are in my thoughts and prayers and I wish for God's blessings on all of you.##imported-begin##Maxine Persson##imported-end##*

“ I've had the privilege and pleasure of knowing Jeanne Aversa for over 20 years. Our paths crossed because of NAMSS - National Association of Medical Staff Services. We worked in Medical Staff Offices throughout northern NJ and we were all similar in many ways. Our relationship grew as we were instrumental in creating the North Jersey Chapter of NAMSS with others in our group. We loved what we did and wanted NJ to be a part of the national organization. Our bond became stronger and stronger throughout the years. My memories of her and our trips to NAMSS Conferences throughout the United States will always hold a special place in my heart. We learned together, traveled together, had fun together and planned our first NJ State Conference together. She will be missed by many. I will never forget. With love to her family...##imported-begin##Angela Arrietta##imported-end##

“ I'm so sorry to hear about Jeanne's passing. She was an inspiration to me. In her position as President of NAMSS, North Jersey Chapter, she was always willing to share her knowledge and her wisdom in all matters dealing with medical staff services to all the medical staff services professionals who were struggling with complex issues. She was a realist, but had a fine sense of humor about life. I will miss her.##imported-begin##Maria Knorr##imported-end##
