“ Dear Family of Jeff: It is with great sorrow that I write to you on the loss of your son and brother. Although I only knew Jeff for less than 2 years, professionally, he gained the respect and admiration of our organization. After only one year in his position, we felt confident enough to elect him Treasurer of our organization. He always spoke careingly of the families we serve and had a genuine respect for those less fortunate. He was always professional and knowledgeable during our discussions. He will be missed.
