“ I am so grateful to have had Jerry in our family. He wasn't just a brother-in-law to me, he was my brother. We shared much love laughs, and cries. I'll always cherish these memories, especially when we won the battle of the waterpik together!

“ *Jerry was always so good with us as kids. He and Michelle were always pleasant and patient. Jerry was especially so when we would go fishing. When our mom, Janet, passed, they were there for us and great around our daughter, Angelina. He was always good with kids and would have enjoyed playing with our son, Bruce. He will be missed and always remembered. A part of Jerry will live on in everyone he touched.*
