“ No words can express how sorry I am to hear about your Jessica. I cannot even begin to understand how much you're hurting right now, but only hope that this message will give you some comfort.

I consider myself truly blessed for knowing Jessica.

She was a beautiful girl, with a ready smile and a big heart.

I know just how much all of you loved her and she loved everyone of you. The love that all of you shared was so beautiful, and I know that it's this same love that will carry all of you through these darkest and most difficult days. Please know I am here if you ever need a shoulder to cry on, someone to share a cup of coffee with, or just someone to sit in silence with.

Prayers for you and your family.
