“ *I was shocked and saddened to read the article in the New York Times about the brutal murder of Joan Curello Davis. She was an old friend of mine when we both worked at the American Embassy in Rio de Janeiro, Brazil in 1967-68. She was very intelligent, attractive and loved life. I have photos of her celebrating Carnival in 1968. If anyone in the family would like to have them, I would be happy to send them. She was a pacifist and wouldn't hurt a flea. In the 1970s, she developed problems, quit her job and sadly disappeared from Washington life.##imported-begin##Joan Bray##imported-end##*
