Joan Mucciolo (December 18, 1954 - June 25, 2023)

Joan Mucciolo, a beloved mother, sister, aunt, cousin, colleague, and friend to all those who knew her, passed away on June 25, 2023, at the age of 68. She was a remarkable woman whose talents, accomplishments, and warm-hearted nature touched the lives of many.

Born on December 18, 1954, Joan embraced life with passion and a drive for success. She was a lifelong learner, earning a degree in Speech Communications, then studied Industrial Psychology, and later went on to a degree in Fashion Design, showcasing her diverse interests and commitment to personal growth. Joan's pursuit of knowledge and her creative spirit defined her character and influenced her career path.

After working in the Fashion Industry for a number of years, Joan's entrepreneurial journey began with a home craft business, where she poured her heart into creating beautiful vintage dolls, holiday wreaths, and other unique creations. Her keen eye for design and attention to detail garnered much praise and recognition. However, Joan's true breakthrough came when she combined her love for photography with her entrepreneurial spirit and launched mucci360, a highly successful Real Estate Virtual Tour Company.

With her visionary ideas and unwavering dedication, she add the video production skills of her son Peter and together, the company quickly became one of the largest and most reputable virtual tour providers in New Jersey. Her ability to capture the essence of a space through the lens of her camera transported viewers to breathtaking places, allowing them to experience the world from the comfort of their homes. Joan's talent, creativity, and commitment to excellence earned her the respect and admiration of both her clients and peers.

Beyond her professional achievements, Joan's true joy in life came from her family. She shared a long marriage with her husband, Tom Mucciolo, and together they nurtured a beautiful bond that stood the test of time. Their son, Peter, brought immeasurable happiness to Joan's life, and she cherished every moment spent with him. As a mother, Joan was unwavering in her support, guidance, and encouragement, instilling in Peter the values of integrity, perseverance, and kindness.

Joan's warm and welcoming nature extended beyond her immediate family, and she touched the lives of countless relatives, friends, and colleagues. Her genuine interest in others, her compassionate heart, and her sense of fairness created an atmosphere of love and happiness wherever she went. Joan's nurturing spirit made her a trusted confidante, and her ability to connect with people on a deep level fostered lasting relationships.

In addition to her many talents and roles, Joan will be remembered for her generosity and willingness to lend a helping hand. She selflessly gave her time and resources to those who relied on her, making a positive impact on the lives she touched.

Joan's legacy will continue to live on through the memories and stories shared by those who were fortunate to know her. Her extraordinary journey, marked

by determination, creativity, and love, will forever inspire those who strive to make a difference in the world.

Joan is survived by Tom, and their son, Peter, and her loving dog Connery. She also leaves behind a large extended family, friends, colleagues, and a community of individuals whose lives she touched deeply. Her presence will be dearly missed, but her spirit will forever remain in the hearts of all who had the privilege of knowing her.

Right now, I am extremely devastated. It's difficult to find the words to say. However, In Loving Memory of Aunt Joan

In the depths of our sorrow, we gather today to celebrate the remarkable life of our beloved Aunt Joan. Her presence in our lives was a beacon of love, kindness, and inspiration. She will forever be remembered as an extraordinary woman who touched the hearts of all who had the privilege of knowing her.

Aunt Joan was a true force of nature—a woman of remarkable talent, beauty, and compassion. Her artistic spirit found its expression through her passion for photography. With her keen eye and creative vision, she captured life's fleeting moments, preserving memories that will forever be cherished. Through her lens, she revealed the beauty and wonder that surround us, reminding us to pause and appreciate the world's simple joys.

But Aunt Joan's greatest masterpiece was the way she nurtured and cared for her family and friends. Her love knew no bounds, and her heart overflowed with a selflessness that touched the lives of everyone she encountered. She embraced her role as a mother figure, extending her warmth and affection to all who sought solace and guidance. We were blessed to have her unwavering support, her comforting presence, and her unwavering belief in our potential.

Family was at the core of Aunt Joan's being. She cherished the bonds that held us together, and her unwavering devotion was a testament to her character. From family gatherings filled with laughter and shared stories to quiet moments of reflection and understanding, she taught us the true value of togetherness. Her legacy lives on in the love and unity that she cultivated within our family, and we will carry that precious gift with us always.

As we bid farewell to Aunt Joan, let us remember the countless memories we shared—the laughter, the tears, and the moments that defined our connection. Though she may no longer be physically present, her spirit will forever resonate within our hearts. Let us honor her memory by embodying the qualities she so effortlessly displayed—kindness, compassion, and an unwavering love for others.

In the tapestry of our lives, Aunt Joan's thread will forever be woven, a testament to the impact she had on our souls. As we say our goodbyes, let us also celebrate the incredible woman she was and the legacy she leaves behind. May her light continue to guide us, and may her memory be a blessing to us all.

Rest in peace, dear Aunt Joan. You will be forever missed and

eternally loved.

I truly have a heavy heart over a close friend. I am going to miss visiting you and staying for hours and hours talking and catching up. You taught me a lot about life and myself. Thank you for believing in me when I didn't believe in myself. You're truly one of kind, with my loss heaven gained an Angel. Send my condolences to Pete and Tom

Aunt Joan Cousin Joan Bubby I love you dearly and I can't believe I'm even writing this right now. You were like a second mother to me and you always took time out to help and listen. You took me under your roof when I needed a home and you fed me when I needed food. Whatever I needed you always went out of your way to make it happen no questions. I'm not much of a writer but you will always have a spot in my heart and I will NEVER forget you. Rest in peace Joan ill see you again some day.

“ *Hi. I can't believe my childhood friend is gone. We got together for church and dinner last time I was in New York. Reminisced about seeing the Beatles in person when we were kids and how much we missed our parents. After years of losing touch, she found me on social media and we connected to find out we both had become Christians and she had found Jesus through a pastor affiliated with my church Calvary Chapel! Go see the movie about Pastor Greg Laurie "Jesus Revolution." That's the pastor who led her to the Lord at a Harvest Crusade in Madison Square Gardens. It's one of the last things we may have talked about. Joanie also loved The Chosen (available free on its app; also Prime, Netflix, CW, etc.) Now when I rewatch these shows, I'll think of my friend Joanie. A truly wonderful person! Blessings to her family and friends. Miss her! ☐*

“ I first met Joanie in Alan Schwartz Interpersonal communications class. One day, we each had to go around the circle and say what we thought of each other in the class.

I had been intimidated by Joanie's tough girl attitude, so I was more than a little nervous. When she got to me, she broke into a big smile and said 'I like you!' I was thrilled.

Then we all worked together in West Side Story in the first Iona Summer Theatre Festival (that dance, Tom, we had at the 'Dance in the Gym'), she giggled at that, teased me, in a fun way, about falling asleep in the air conditioned prop room, which led to the strangest conversation with Rod...then of course, there was Gypsy, where I had the honor of performing 'Gotta Get a Gimmick' with Joanie and Kathy...so much fun practicing, and if I do say so myself, we sounded great! We practiced all the time. I'll also post a rehearsal picture with Joanie as Dressie Tessie Tura..I only wish it was in full costume

Tommy, my heart is with you and Pete, I know Joanie is watching over you both. I havent spoken to her in awhile, but we had reconnected through fb. I miss her ❤️ She was tough and strong and sweet and loving...no one will ever forget her!

“Joan and I were in the same dormitory at CNR when Iona women lived there instead of shacking up with the Iona boys. She was the coolest. She's the person who told me to just let my hair be curly instead of straightening it all the time. She saved me countless, innumerable, endless hours with blow dryers and rollers. This, of course, is not my only memory of Joanie. She was incredibly talented and had a great eye. She was terrific as ANYBODYS in West Side Story and really fun to talk shit with. My old BF Tomm and I went to visit you guys in 1979ish? (Pic below). She made us a great dinner and it was just so lovely to see her and Tom. My condolences to the family. I, for one, will never forget Joanie.

“*Peter and Tom, I have so many wonderful memories of Joan. We were born two weeks apart, and we had such a close bond through the years. Her brother Artie was my best friend, and best man at my wedding. She was such a blessing to me as she was with my mother when my mother passed away. I was also blessed to be her pastor, and I know I will see her again. Praying for you, Cousin Walter*

“ I had received the tragic news on Tuesday about the passing of my Aunt Joan.

Aunt Joan was always there when you needed her. She never hesitated to help others in their time of needs. My self and my son became so close to my aunt and my favorite cuz Pete. Words at this moment can not even describe how beautiful she was. Our memories that we shared (I can write a novel of all the good times lol) and her spirit will always live and be cherished inside our hearts. God put Aunt Joan, Pete, and family in our lives and we are so blessed he did.

I'm sorry sorry for your loss we love you very much. ❤️❤️❤️❤️❤️

“ Joan was my "cousin-in-law". I'll always think of her as someone who, from the start, made me feel like I had known her all my life. She was a kind person with quite the artistic flair. I cherish the ordinary picture of me which she turned into a glamorous showgirl. She'll always remain in my loving thoughts. Barbara

First of all my deepest condolences to Tom and Pete and all close family and friends who are experiencing this loss profoundly. As Tom requested I'm just leaving a memory of her from our college days together as members of the Iona Players. Joanie selflessly and competently not only worked the thankless job of putting costumes together for the actors but was AMAZING in her role of Anybody's in West Side Story during the first season of Summer Theatre. But more than that she was just always super cool, no BS, she called it like she saw it and you had to really earn her respect and love. She really liked my dad who taught Business Law at Iona and would tease him a lot which he loved but then that helped a little toward her attitude toward me (I think). I had to work a little harder with her to get her to think I was 'ok' but once you were in, you were in and I was so proud that she ultimately approved of me. lol. She was just a quiet force of nature and I'm sorry that we lost touch especially after reading some of these amazing tributes, but I'm so glad to have known her. She was unique. I will never forget her. Love and deepest sympathy to her family as you navigate this enormous loss. May her memory be a blessing. <3
