“ *My deepest condolences to Joanne's family. I worked with her when she was assigned to the Mountainside, NJ office of the Bureau of Labor Statistics. Although I didn't see her often I always enjoyed talking with her at meetings. She was very kind and helpful to everyone. Rest in peace Joanne and may your family wrap themselves in the warmth of your memory.*

My deepest condolences to the entire Dingler family.

I recently learned about Joanne within the past few weeks.

No words could describe how I feel. I am deeply saddened.

Joanne and I met in 7th grade at St. Anastasia middle school. I was new to the school, and we quickly became friends when she introduced herself to me, and made me feel welcomed in a place where I felt all alone.

Joanne always lifted my spirits when I was around her, a bright light in my world.

We remained friends for many years after that, and I got to know the entire Dingler family. They were all very kind to me.

Joanne and I used to go out dancing together quite often. Our favorite favorite dance song was "Lucky Star" by Madonna. Every time I hear this song, I think of Joanne, and all of the fabulous fun we had together.

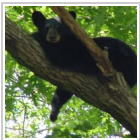

Joanne will forever be my "Lucky Star".

Rest In Peace, my sister.

I love you. ❤️

Suzie Fox.
