“ John, You were my world and without you I feel lost. You were the BEST Husband and BEST Friend that only God could Bless a Woman with.

You were not only devoted to me but also to our children and grandchildren. Not many people can take on the responsibility of raising young children once they have raised their own, but you did that with Love and Patience. You molded Michael and Juliana into the responsible young adults they are today. I know they made you proud but more over they were more proud to call you DAD! As the saying goes, “Anyone can be a Father but it takes someone Special to be a DAD!

I am sure you are watching over us and see the out pouring of sorrow and love and the impact you had on the lives of so many. This is truly the Measure of a Man. You are a Gentleman, Mentor, Friend and Good Citizen to so many. Your impact on all you touched will be felt for years.

For me, I am struggling to Imagine my World without you, but I know you will guide me through the rest of my days until we meet again. Save me a place and When my time comes be there at the gates so it's your arms I run towards.

In the meantime I am sure Lorraine, Adele, Tom, Uncle Ben, Dad, Joe, Pat and so many others were there to greet you.

May you Rest in Eternal Peace My Love, Tanto Baci Amore Mio 🙏

“If I had my Life to Live over again, I only wish I had met you sooner so I could LOVE YOU LONGER” 💔
