“ *Dear Robin*  
*I am so saddened by this news. I have so many fond and funny memories of John (and you). My heart is heavy. I can't believe so much time has past. 34 years ago at ABC, a lifetime ago but it seems like yesterday. You and your family are in my thoughts and prayers. Diane Bucaro (Crowley)*

“ On this sad day, only happy memories come to mind when remembering Johnny. As my brother Stephen said, Johnny was always the first guy to be picked when the "street teams" were formed. Yes he was fast, but Johnny was always a nice guy who everybody wanted on their side. And more recently, at our family's service in River Edge for the passing of our Mom in 2009, Johnny was so gracious to attend. It was so nice to shake his hand, feel his support and share fond memories of our Elm Avenue past. Mr and Mrs Gorman, Kathie, Tim, Paul and Robin and kids, our hearts here in Colorado reach way out to you!

*Our condolences,  
Mark Scanniello & family*

*Eulogy for Mr. Gorman:*

*I wish to convey my deepest condolences for the unexpected and untimely departure of John Gorman to his entire family, namely, Robin, Jillian and Nichole, Kathie, Sophie, his siblings and of course, his mother Joyce, and father Robert, as well as all the other members.*

*Although circumstances do not allow me to attend John's memorial today, nevertheless, rest assured that I will be there in spirit, wholeheartedly. Please allow me, if you will, to have the honor to write a few words on his behalf.*

*I will always remember John's easy-going manner, his wit, and good humor, and his absence in this domain of life will be felt in a substantial way.*

*And if, as the saying goes, that the departed can still listen to those that reside here, among the living, then I have a message I would sincerely hope he could hear...*

*John:*

*There is no doubt that you WILL be missed...*

*But, more importantly..*

*You will never be FORGOTTEN.*

*Farewell and God Bless you, my friend.*

*and..*

*May God Bless us all.*

“ *I worked with John at DOITT in NYC. He was a genuine person and we became friends, we had a ritual of going to a Yankee game every year since 2009., we would hang out at the Dugout before the game then go to the game. I really enjoyed our talks and his company. He was 'The Dude'!. Rest in peace my friend, gone way too soon!!*

“ Johnny always told it like it was with a smile on his face. One of the great RiverEdge guys and friend to all. So unbelievably sad he was taken from his family so young. Living in California I didn't get to see him much, but I was fortunate enough to Run into him at a RE 4th Celebration, his girls were there and he was so unbelievably proud of them. What a great dad and husband. My condolences to Robin and the entire Gorman Family. May the love you shared bring a smile to your hearts. Much love, Karen Prior Parcell

“ I have been a colleague of John's for 10 years. I will miss him going to the kitchen and preparing his nightly baked potato. He was a creature of habit. Nightly he would find a way to annoy me some how. I will truly miss that. I will miss his family stories. He was the greatest guy. May he RIP and may your family find strength in your loss. My prayers are with you.

“ To the family of Johnny Gorman, I was so sorry to hear this tragic news. I am one of the Miller kids who grew up down the street from the Gormans. Kathy was best friends with my sister, Betty, and growing up I remember Kathy being at our house all the time. I remember Johnny vividly as a young boy too, and the old photos of him in the tribute video brought tears to my eyes. Mr. and Mrs. Gorman, you are the sweetest, kindest people ever and I am so sad for all of you as you struggle through this difficult time. May God bless you and bring healing to you and your family.
