“ *My heart is heavy with the news I just received of John's passing - John and Millie lived across the street from us when I was growing up - they were my parents' very close friends and like a second set of parents to me. John was a gem - a one of a kind, wonderful human being who we all loved. I know that my Mom and Dad were waiting at heaven's gates with big smiles to welcome him in. My thoughts and love are with Millie at this time. Love, Kristine Ackermann Turi##imported-begin##Kristine Turi##imported-end##*
