“ Dear Zerbo family,

I'm so very sorry about your loss, please accept my condolences.

I met John in October 1980 after I had just arrived from Germany, he was a Gould R.B. Denison rep. also selling Pepperl Fuchs products for whom I was working. While on the way to a customer he was talking about "stuff" I did not know what stuff meant and therefore I asked him about it. He answered you don't know what stuff is and pointed at things in his car and said everything is stuff! I will never forget that, John was not only a very nice person he also was a very talented sales guy.
