“ *Deb and Family: No one can relate to the anquish you feel upon the death of a child. John was quite an accomplished young man. Your own dear mother Lillie supported me after the loss of both my 35 year old daughter and then my husband Mr. K (the name you no doubt remember him by at GHS). May God hold you, his Dad, and your entire family in the palm of His hands during the coming months. It is with deepest sympathy that I send condolences upon reading of his passing.
