“ *Dear Joseph, You are gone without saying good-bye to us. We all have the memories you had left behind for us. In our grief, we can still vividly remember and feel your help, care and love. Words cannot express the sorrow in our hearts. Our love for you never ends and will lead us to meet you somehow, some times and somewhere. "The Lord is my Shepherd, I shall never want..." You used to share this Psalm 23 with me. God will make your time easier and protect your soul in peace.##imported-begin##Peter, Brian and Zilian##imported-end##*

“ Uncle Joe there is no way you could know how much you will be missed. The Festa parties will never be the same without "the Brother". We are family will never hold the same meaning to me without you and my mom there.##imported-begin##Doreen##imported-end##
