“ *My family and I receive a Christmas card every year from Joe. One year he forgot to sign the card, but being such an awesome postman he remembered to put his address on the envelope. Joe you gave us the biggest chuckle.. We love and will miss you dearly. Rest in peace with Susan, George and Franz.*

“ *The slide shows with the beautiful pictures of the places he & Susan had visited on their vacations. I really enjoyed those. Along with the dinners, mostly at their home in Teaneck*

*And the story about the time he had his Pontiac (it was a green 4 door if memory serves correctly) out in the desert, near Las Vegas. He got that car going upwards of 110 mph for a while.*

*He was a good lifelong friend to my Mom, Carol, who will miss him dearly as I'm sure will the rest of his family.*

*Deepest condolences to the entire family from myself & my wife.*

*Sincerely,*

*Frank & Kathryn Hruschka*

“ *To John and family; I will keep the memory of all the home prayer group meetings we had when Joe would talk about W.N.Y., his favorite topic. They were good times then, both spiritually and socially. May God bless you all.....Emma*
