“ Donna and Tom, Mary and I were shocked to receive an e-mail from Barbara Newland, regarding Joseph's death. There are no words that come to me to comfort you. What I think of is that Joseph was baptized a child of God, and he is a child of God. His life always was and always will be on God's hands. You are and will be in our prayers, asking that you will know the presence of God during this time of shock and grief. We received this terrible news while we are on a 6 week cross country journey. We are currently in Flagstaff, AZ. Obviously we will not be able to be with you for visitation at Volks, or the memorial service. But you will be in our thoughts.
