“ Dear John, Jonathan and dear Janie,

*The pain we are carrying right now is unbearable to handle. I cry & cry and than laugh about the times in my life that I have shared with "Only One Judy". We boarded a bus for 8 weeks every fall for our Demarest H.S. Football games. I would tell her the Cheerleaders use to drown out the Majorettes when we started to sing on the bus. She would laugh and I couldn't stop her, but join in her funny laugh. She was a gift giver. Every time we met (3-4 month) for our H.S. get-together, Judy always had a small token to give each one of us, Me, Larine, Terry, Betsy and Ann. Prayer cards of my favorite saints, I wouldn't dare tell her I too got them in the mail. She was a very funny girl, but very sensitive. Judy was suppose to be here till we reached 100 yrs. old. Too too young to reach Heaven already. I cry, than I stop and talk to her and ask her to go to Our Lord with problems that I mention. She was a Saint here on earth and whomever she meets up above will love our Judy. For all of us who loved Judy so so much I write,  
"Those we love don't go away, they walk besides us everyday. Unseen, unheard, but always near. So loved, so missed, so very dear. For us who loved her so she will be amongst us as often as we think of her. When we girls meet again in 2-3 months, I will be sure to have a place setting for Judy next to me. We love you Judy forever my dear dear dear friend of 62 years. P.S. Keep an eye on me and come to me in my dreams.*

“ *Our Dear Sister in Christ, Judy, departed this life to be in God's keeping. She was an active and beloved member of Catholic Daughters of the Americas, Court Anastasia No. 1041. We will definitely miss her candor and contagious smile. She always had a story to tell about her visits to the nursing home where she administered Holy Communion. She attended our monthly meetings even when delayed by her Eucharistic Ministry duties.*

*God has taken one we love to a better home above. We will remember Judy with love and hold her dearly in our hearts and prayers. Our heartfelt condolences for your loss.*

“ *Judy, Judy, Judy, what times we had! From nursery school days with Jonathan and Brian, (and Sharon and Michael), to volleyball games, tennis, special trip to MA, sharing BLT together at diners, you always brought laughter with you. Judy, always the clotheshorse, never missed a chance to shop and be a fashionplate. When I first met you pushing Jonathan in his carriage on East Cedar Lane, you were so friendly and all dolled up with turquoise top and mother of pearl drop necklace, I knew you would always make me smile. And when you bought a mirror or a treat for yourself you bought me one, too, no special occasion, just loving gestures. That's so you. You said your mother was like that, too. Like mother, like daughter. I'm so glad we had your birthday lunch together, just us two. The laughs, the comparisons, the stories we told, and afterward, our walk in the park. I didn't know it would be our final walk together. I wish I could hug you now.*

*My heart goes out to Jonathan, John and Jane. May loving memories ease your pain.*

*Judy, I'm blowing kisses and hugs to you in Heaven, Love, Anne*

“ Judy will always have a special place in my heart. I have so many memories of laughter, tears and feeling loved. She was a gift to so many whose lives she touched on a daily basis. I hope to live by her example of service to others, be it through a kind word, a gift or a prayer. May Jay and Jonathan find healing in the coming days, months and years. RIP my dear friend.
