“ *Sunil and family,
I am very sorry to hear of your loss. Only time will ease the pain, but
good memories will never fade.
Take care of yourself and keep "swinging for the fences". That's
what I bet your mother would want of you at this time.
Regards,

“ My favourite memory of Kanta Aunty was when she and the family visited the Wirral, UK for my wedding! It was such a joyful time and my Mum, Subhash was filled with happiness at having her sister stay. The house was filled with constant chatter, reminiscing and excitement! I will always remember Kanta Aunty as a big personality, her presence filled the room. She was such a loving person and was there for my Mum every day right to the end. We will all miss you so much Aunty and you will have a special place in our hearts. Love Gouri and family.

“ We remember our Aunty all those miles away. A strong and successful role model for us all. A sister that supported our mum until she passed. We remember her in our hearts and we have peace knowing she is with loved ones with God. Rest in peace and rejoined with her mother, father and siblings.
