“ *Dear Karen and Kristine, Stella and I are so saddened by Kathleen's sudden passing. She was a wonderful cousin and a genuinely happy person. I remember swinging on the swings in Grammie and Poppie's basement and always getting off of one of them to give Kathleen a turn. I also remember she always had a wide smile for me when we saw each other, and of course, I remember the Christmas party where I dressed as Santa, but she recognized me immediately by my socks!!*

“ My aunt was a wonderful person who loved animals and her friends and family very much. I fondly remember her taking my brother and me into Teaneck and introducing us to her friends and I remember how easily she connected with people. She was also so warm and hospitable when my daughters would visit during the last few summers. They enjoyed their time getting to know her precious birds, eat pizza, watch movies, and just enjoy their time with their great aunt. You will be greatly missed Aunt Kathleen.

“ Jack and I will miss Kathleen's friendly smile, her generosity and her quick witted humor! She was a very special part of our family and her life here was way to short. We are thinking of you and your families with love and are hoping that time will help soften the sadness ....leaving beautiful memories that will last in your heart forever! May you Rest In Peace Kathleen! XO

“ Karen and Krissie, I have such a fond memory of us being together at Kathleen's apt. in Teaneck. She was so proud of her place and kept it so nice. Looking back at your Mom's house and thinking of eyeglasses in the bushes. Her laugh always made me smile and laugh with her. She reminds me of your Mom in that she always seemed to fly above everything, on a different plane, not seeming to be affected in a negative way. Please know that my thoughts and prayers are with you. May God surround you with his love and give you peace. Love always, Lainie

“ As Kathleen's cousin, I may be a little prejudiced, but Kathleen was one of those people who always had a smile and a friendly word for all she met. She loved her family and her friends, and if you were lucky enough to be in either category, she would give you "the shirt off her back" (as my dad used to say). She was a selfless, caring, giving person who will be missed by all who knew and loved her. Kathleen, thank you for being you. I am very glad that we were part of the same family. Your time on this earth of ours was over much too soon. I will think of you often and treasure the memories. Until we meet again, may you rest in peace. (And save a place at the card table for me!) Love you, cuz!

“ *My aunt was a beautiful person who loved her family very much. As a young boy she'd love to take me into Teaneck to the pet store (And Bischoff's)...she loved to show me off. One day on our trip i decided to stick my head thru a railing on a bridge and got stuck and had to call the FD for help, she never lost her cool and we had laughs about it for years after. The loss of my Aunt is sudden and sad. she will be missed by her family and friends. rest in peace Aunt Kathleen, until we meet again.*
