“ This is such a terrible shock. I had no idea that Kati had been sick. She looked beautiful and healthy at our high school reunion....happy, smiling, kind...just as I remembered her from high school. "A life well-lived leaves behind a beautiful bouquet of memories." “ My thoughts and prayers are with the Fahey and Moody families. I was grateful to have reconnected with Kati through Facebook (where we chatted about our mutual love of Kenny Chesney!) and to have seen her at our Holy Angels reunion just over a year ago. What I will remember most about Kati is her warm, happy smile. Too sweet and too young to be taken from us. May she rest in peace.##imported-begin##Megan O'Reilly Foran##imported-end##
