“ I am deeply saddened to hear about Kevin's untimely passing. I had the honor of knowing him for more than 20 years both as a friend and a co-worker and I had the greatest respect for him. I know this is a difficult loss for everyone that knew him. Kevin always had a kind word or a witty joke. He never turned his back on anyone and always extended his hand to someone in need. I called Kevin "Big Red" because he had the biggest heart. He loved to talk about his entire family and the joy that they brought to his life. He was so proud of all of them! As a man, I was raised to be strong but today, I am not... I am sad because I lost someone who cared about others more than he cared about himself. Kevin was one-of-a-kind and knowing him was a blessing! I'm going to miss him until we meet again.
