“ I met Kevin a little over a year ago. He was always straightforward and to the point. He offered encouragement to me quite a few times. He had his own kind of humor, which made me laugh more than once. I was inspired by his persistence in his pursuit of self-improvement. His being there day after day was in itself something I admired. I will miss him. Cindy, you are in my prayers.##imported-begin##Deanna##imported-end##
