“*Laura was a great friend and nurse to the residents of Bright Side Manor, especially to my Mom, Carmela Perricelli, who loved Laura very much. She referred to Laura as "her second daughter", which was an honor to me. She was a dedicated nurse who loved what she did for a living. She had a bubbly way about her and a great personality. She will be missed by the people who were honored to know her as a relative and a friend. RIP in peace, dear Laura. You will never be forgotten. Mary Ronda*
