“ *I am so saddened to hear of Lauren’s passing.I know Lauren over 30 yrs . She would always make me laugh. I met her thru her dogs when she lived in New York. She had a Bearded Collie and a Tibetan Terrier. Thru the years 2 more Tibetans which she obtained through me. Eli her Tibetan who is with me now during this difficult time was her love. She called him Eli honey baby, very spoiled as all of Lauren’s dog were. Lauren was a great cook and one of her passions along with Music that we often talked about,and also went to shows and met. The last time I saw Lauren was at the shows seeing Joan Osborne which I took a picture of them together.I will miss everything about her. But mostly her sense of humor and her love for Tibetan Terriers. My Heart goes out to Jenna & Doug for their loss..*

“ *I am so saddened and shocked to hear of Lauren’s passing. She was one of a kind with such a beautiful, caring, heart. She was an advocate for the things she cared deeply about. I shared many laughs and good times with her. I’ll miss seeing her comments on my Facebook page. It won’t be the same without her. I was inspired by her love of her family and her dogs. I know you all are heartbroken. My sincere condolences to Jenna, Doug, and the rest of her family. We lost a beautiful person. Heaven gained an angel.*

“ *I met Laurie while attending Southampton College. About 10 years after graduating, i was taking a walk with my daughter on Queens Blvd in Forest Hills. Laurie came out of the travel agency where she worked and we got to talking. We asked each other who we kept in touch with after college, and I mentioned i was still in touch with Doug. She remembered him, i gave her his phone number and the rest is history. I was shocked and deeply saddened by the news of Laurie’s passing. My heart goes out to Doug and Jenna. I send you guy’s my deepest condolences. Be strong!!!*
