“ *To Laurene's Family, We are saddened to know of your loss. It is always difficult to lose someone we love especially someone who had such a good way about her like Laurene. Some years ago, Laurene worked for my Dad (Frank P. Dell'Aquila, MD) some time ago and I have memories of Laurene when I was a boy and my wife met her more recently (when we got married/my Dad's 75th Birthday Party). She was always kind to everyone; the Italian word simpatica comes to mind because this kindness drew people to her. Our prayers and thoughts are with you all. It is our hope that you will find encouragement through the words and works of others. Best Regards, Ralph/Betty###imported-begin###Dr Ralph and Mrs. Betty Dell'Aquila###imported-end###*
