“ God brought Leair into my life just when I needed her. Just a few days later she took my face in her hands and spoke wisdom that came straight from God's mouth to my ears. "Faith, hope and love but the greatest of these is love." Leair understand love and she walked it out in shoe leather. I grieve with you and for you because her absence leaves a larger than life hole. Love never ends and may God hold you in the hollow of his hand.
