“ Dear Leon, I'll remember that beautiful smile, your great laugh, swapping stories.....I am among so many who have been missing you ever since you left Knickerbocker! We kept in touch via phone calls, too few, but that is my regret to bear. I was gonna make it my business to call on your birthday, woulda shoulda

Dear Angie and all your children, I am so sorry for the pain you have suffered throughout and the lost feeling of now, there is never a time when we are ready to say goodbye. Then too, we never want our beloved to endure suffering. That's why thankfully,our beloved and our Great ONE make that decision. Im glad to have known your Dad, Husband and wish his soul great joy in his new life. I pray for all Gods' blessings to each and every one of you. May you know the comfort of being wrapped in the support and love of eachother as Leon and the Lord wrap their "forever love" around you.

“ *Rest In Paradise Uncle Leon*

Words of Condolence to my Family

Let not your heart be troubled...

In my Father's house there are many mansions...

And if I go and prepare a place for you, I will come again, and receive you unto myself...

(John 14:1-3)

May God ease us at this hour of sorrow & surround us with His love. And may it bring us strength to know that our Father's house above is a house with many mansions where His Son has set aside special places near Him for His love ones to abide.

*Love,
Khiya*

“ *Our hearts go out to Leon's family. My husband Oneil Johnson, always spoke of Leon with affection. They were close buddies for many years while they were employed at Fabricolor. For Oneil, the world lost a very good guy, and a good friend when Leon left. May God bless the family now and always. Love, Oneil and Ginger Johnson.*
