“ Dear Merry and Nancy, I'm Aileen Heath Anderson's daughter. My Aunt Joan who still lives in NJ had e-mailed that your mother had passed away, and since she and my mom were such good friends growing up, I wanted to let you know that we are thinking of you, and to let you know how much your mother's friendship meant to my mother. I remember meeting you two different times on our visits to NJ, and mom always looked forward to her times spent with your mother. Mom now has dementia, and her memory, especially short-term is pretty bad. For a while, she still remembered things from her childhood, but that seems to be going to. Before she lost that, though, I tried to ask her about what she enjoyed and friends she had growing up, and your mother's name was always at the top of the list. I don't know the last time they might have spoken to each other, but they did keep in touch until maybe the last couple years, (probably when mom's memory started to get worse), so it was a friendship that lasted many, many years. How nice they had that connection all those years, and now, have a reunion to look forward to in Heaven. I'm sure they'll have lots to talk about!! My address is: Chris Acker, 4939 Millbrook Rd., Wooster, OH 44691 if you ever want to write something to my mom, or my e-mail is ackauct@sssnet.com. I'll understand if I don't hear from you--I'm sure your lives are as busy as mine, but I just wanted to let you know I appreciated your mother's friendship with mine and that it meant a lot to her to have a friend like Lillian. Blessings, Chris Anderson
