

Linda C. Bogan

July 9, 2019

With sad hearts, Leonard and Daniel Bogan, announce the passing of their devoted wife and mother, Linda Christine, daughter of the late Paul and Christine Schwarzbach. Born in Queens, Linda grew up in Teaneck and then lived in River Edge for over 40 years. Linda was a Kindergarten Instructional Aide at Roosevelt School, River Edge, for 16 years, and then worked as a paraprofessional at Fairview Elementary School, Bloomfield, NJ, where she touched the lives of hundreds of young students, and was well-known for her "Cooking through the Alphabet" and origami workshops. She was happiest in the kitchen, baking give-away treats, such as a pan of brownies or batch of cookies...and lucky you were if you were the recipient! A longtime member of Origami USA gave her the opportunity to travel to the Netherlands, Hungary as well as throughout the US to meet and fold with friends. Linda believed strongly in spreading kindness, whether through a plate of cookies, a bunch of origami folded flowers, or other small gestures. She loved to spend many happy afternoons at Wave Hill, enjoying the picturesque gardens. Her son, Daniel, always made sure that the gardens in her own yard were as beautiful, as well. When her health started to decline, her spirit and courage stayed strong and she amazed all who knew her. She was especially grateful to her faithful sister Cynthia, her caring niece Sarah, her dearest friend Joanne Sullivan, her origami pals Kathy Wallace, Gay, Juliana and Candy, Becky Berman's trio of amazing daughters Diane, Julie and Irene, long-time friend Susan Dobriner, and Dr. Robin. Most recently, she also had deep gratitude for

her angel caregivers from the Valley Hospice, her nurse Cindy and her team, as well as Dr. Wang, Sheba, Jen and the entire staff at Memorial Sloan Kettering/Bergen.

As Maya Angelou has written,

"Try to be a rainbow in someone else's cloud."

Linda has done just that...and challenges you to do the same...

Spread kindness and joy

and to be that rainbow in the world.

In lieu of flowers, a memorial donation can be made in Linda's name to a charity of your choice.

“ Linda was such a warm, strong, beautiful, generous spirit. She was also so very brave. She shared that she went to a drumming circle even though her energy was at a challenging level after her diagnosis. She embraced life fully. I will miss her and her Christmas cards.

Comfort to Linda's family.

Love,

Mary Chloe Schoolcraft Saunders

“ I am Wisdom Golphin; one of Linda Bogan's closest friends. I remember five years ago when I had first started the 3rd grade when we met. I was a little shy but she brought me out of my shell. I was a little misunderstood at the time, but Mrs. Bogan was always my friend despite that. I would have never thought that the small chit-chat exchanged with us would turn into conversations; and conversations would turn into a friendship. A friendship into a strong unbreakable bond. Whenever I had a problem, I could always go to her for advice or to make me feel better. Although I am very sad over her passing, I am happy that she has found peace and no longer has to suffer. The body is only a shell; so she is not truly gone. She is alive in our memories and she is alive in our hearts. She is gone physically, yes- but she is alive spiritually.

“ Linda was one of the better people in this thing called life. I will never forget our weekly lunch conversations on health and fitness. She would always find cool recipes and share them with me, as we were both health nuts in our lunch crew. We had some good memories at Fairview, and she made a long lasting impact on everyone at that school from the children to the adults. R.I.P my friend.

Andrew
