“ I have only just discovered Lisa (Moscarelli)'s passing. Lisa was the first person that I met at SUNY Plattsburgh. Her warmth and contagious smile instantly welcomed me and alleviated any worries that I had about making friends. She was one of the nicest people that I have ever met. She will be missed. My condolences to her family and friends.

“Some people come into our lives, leave footprints on our hearts, and we are never, ever the same”. This was Lisa. Her smile would light up a room, and her loving presence just made you feel that all was well with the world . To know her was to love her. Lisa has left the world a better place by the legacy of the beautiful family she leaves behind and the memory of the courage she displayed in the face of incredible adversity. She spent the time doing things for others, constantly expressing appreciation and love. Dear Andy, Andrew, Ryan and Mikey, Mary Ann and Richie, Michael & Richie, Janet and Andrew - we have known Lisa since Emily came home from first grade in a new school in a new town and announced that "I made new friends today - Lisa and Toni Ann" and thus began a friendship that started 38 years ago, and will never end. Lisa was a blessing and we thank God for having had the privilege to know her. Our deepest sympathy to all of you and we will continue to keep you in our prayers.

“ *My heartfelt sympathy to you Andy and to your fine sons Andrew, Ryan and Michael. Lisa is the mother of three of the nicest sons a mother could ever have. As Lisa's neighbor, I know Lisa as a vibrant busy wife and mom. Lisa would always be checking if I needed anything from the store, or just waving as she passed with her radiant smile and some cheery words - she was just full of life. Even with her health concerns, Lisa kept on keeping on being her beautiful self. I will truly miss her.*

Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge him, and he will direct your paths. Prov. 3: 5,6

“ Lisa was a client of mine four years ago and was so compassionate and special that I invited her to join my team of health coaches. She loved helping people and was such a pleasure to coach; then work with and especially to know. I didn't know her for very long but when I think of her I see a smiling face, a cheerful laugh and a generous spirit. I'm honored to have known her.
