“ *My condolences to the family at this sad time. Every once in a while you are lucky enough to meet a person that can draw humbleness, authenticity and love the way Lorraine (my mother-in-law) had. I'm sure her presence will not soon be forgotten. I am willing "hope" love, and recovery to the family. This is what she would have done for anyone.##imported-begin##Leonard Abend##imported-end##*

“ Dear Bob and family, We are remembering you all in our loving thoughts and prayers during these difficult days. We love you and wish we could be with you. Your dear Lorraine meant so much to so many. While she will be missed, her positive influence in the lives she touched will remain. And what a wonderful tribute that is to a great lady!
