“ Dear Louise - Even though we just spoke today, I feel compelled to leave a message. Your mother was such a wonderful person. My memories of her are of fun times, Italian dinners on Hillside Avenue and, of course, who could forget the summer of the "Ryan garage". Such fun! I know all too well the devastation you are feeling, and I wish we lived closer. Time will be your friend. There will be a day when all those wonderful, fun memories will surface and the terrible hurt will leave. You are in my thoughts and prayers. Love,

“ Dear Dolly, I am thinking of you and hoping you are OK. You were the best daughter any mother could ask for. Just knowing you did everything for her, should make you happy. She will love you forever that never stops. All my love, Joann If you need someone to talk to call me you have my number.##imported-begin##Jo Ann White##imported-end##

“ Dear Louise, while it has been a number of years since we met or spoke, I remember your mother very well. She was a delightful and spirit-filled lady. You must have inherited your sparkle from her! I'm very appreciative that she was the President of St. Joseph's Guild .She brought a great deal of happiness to the Sisters in their later years. You may rest assured that she'll be in good company with all the Sisters of St. Joseph who were the beneficiaries of her many kindnesses. She has entered into the Fullness of Life and is in God's Presence. Peace and prayers to you and your family.
