“ We would like to express our sincerest condolences to all the member's of Luane,s family. We have the fondest memories of all your high school days and how all the kids wound up at the Schwanawedes' house because of your parents fabulous hospitality. We always knew where our kids were. Of course Josh's week-ends in Montauk made your high school days very special, I will miss my talks with Luane when she walked her dog and we always shared what was going on with our families, and what a great family she had. Marty and I are out of town and will be unable to attend her funeral. We will be there in spirit. We share your great loss Fondly, Rita & Marty Fox###imported-begin###rita & Martin Fox###imported-end##
