“ My Titi Lucy was an amazing person. Full of light and laughter but knew when to lay down the law. My absolute favorite memory was when we were all caravanning back to my parents house and my brother was in a car next to us and he mooned us and titi started yelling "mira lo huevos mira mira!" Laughing so hard she was crying in the car. I love you titi. You keep them laughing up there!

“ Mom, which memory do I choose...let's see maybe the time we went to Old Town with Sonny and Joe and you were drinking beer while it was covered by a brown paper bag. You look like those guys hanging on the street corners in NYC.
