“ *This is a final message of love to you, dear friend. In good times and bad, you and Al were a comfort and I was blessed to have you present in my life, for the laughter we shared, the music we loved, and the decades through which we so enjoyed each other's company, thank you dear Lynne. I'm forever grateful to you and your beloved Al for all the times you reached out to be there for me when I needed that and grateful too for your good friends Dana, Gina , and Andy for the comfort they were to you in the weeks and months following Al's passing. You are remembered and loved forever my friend. Rest In Peace, Lynne. With all my love, Greg Gopoian.*
