“ *I just learned that Lynne died. Please accept my sincere condolences for her whole family. Lynne was a good friend to me in high school (Class of 78) and it's because of her that I am a successful nurse today and going back to school for another degree in nursing. “ Dear Lynne's family, I am sending you my thoughts and prayers at this difficult time. Although Lynne was never able to attend one of our Wayne 1977 reunions, she was an integral part of our class and will not be forgotten. I am so impressed by her compassion and dedication to make the world a better place for those less fortunate. Take comfort in the wonderful memories you have of Lynne.
