“ *Memories of laughter and conversations, a nearly life sized stuffed rocking horse, roast beef & Yorkshire pudding, talk of sewing and school work, a huge doll house with real lights and wallpaper, moonlight sonata played on the piano in the living room so beautifully... Memories of a strong determination to do well and strong encouragement for others to do the same. Laughter that was contagious and a smile that would light up the room. Faith that was strong, demonstrated in kindness, hospitality, love and generosity. Progressive in education with a degree in chemistry in a time when most would not have gone to college at all. Quick wit, a story teller... An amazing lady. Remembered and loved by many.*
