“ *Artie, Lance, Wendy and I would like to express how sorry we are to hear about your Mom. She was such a wonderful person and will be missed by all. I can still hear her laugh! I have such wonderful memories of being at your house. From the New Year's Eve parties to the cocktails before going to the club. The Markos' just wanted you to know that our thoughts and prayers are with all of you.##imported-begin##Nancy Markos##imported-end##*

“ We only knew her as Teedle the Grandmother and Mother of the family we vacationed next to every summer. She told me one time that Loch Lyme Lodge was so different than how she usually lived. For those who do not know it is very rustic! Very!! One evening when we were talking about this difference she said laughingly, we live so formally during the year and here a can of peas is holding up one corner of my bed. She was an important part of our lifelong memories of summer and her wit and warmth is missed.##imported-begin##Ellen and Steve##imported-end##

“ Dear Shirley, Nancy and Dotsie and children, My heart goes out to you as you have lost your mother here on earth. How well I remember the wonderful Christmas dinners she and your dad hosted for many years. When I first met your uncle Bruce, you were little girls, and very sweet. You were beautifully cared for. Now you all have been taking care of your mom/grandma so very well, both when she was flourishing, and during her latter years of increasing ill health. She was always VERY proud of you three and your families. She is now your guardian angel, and is always with you in spirit. I wish you all lots of strength to deal with this very hard time in your lives. Be very well! - love, Marian##imported-begin##Marian Archibald##imported-end##

“ Dotsie and family - we're so sorry for the loss of your mom. Reading her obituary, she had a wonderful, full life...that should comfort you. As you said, it's been a long, long time since she's see your dad - what a loving reunion that will be. Love, Fran, Tony, Alicia & Julie###imported-begin##The Trapini Family###imported-end##
