“ Papa, You left us way to early. You put up a good fight and tried your best to hang on. God called for you and needs you now. I guess he finally heard about Lolo's meat. Please know this, you are a wonderful person and a FANTASTIC grandfather. I will make sure that Mama is taken good care of. We will fix the door handle on the camry. I will take care of the sink hole issue and make sure it's done correctly. Please make grandma some meat and shrimp. Sam will have to wait a little longer for those shrimp. We love you much!! BE WELL!!!!###imported-begin###The Bell Family###imported-end###
