What a Beautiful video. So many happy memories of a life well lived, full of love. ❤️ I have many fond memories of her at your house when we were kids and throughout the years. She went to the same salon I went to when I lived there and we always talked about exercising with you. Joan, She was so proud of all your accomplishments as a nurse, and personal trainer and athlete. ❤️ she loved her family and lived life to the fullest. RIP Mrs. Julian 🙏 she will always be with you 💕 much love and my deepest condolences to all you during this difficult time.
