“ *Dear Susan and Janet, My older brother John informed me of the passing of your Mom. I was sad, but also filled with joy for her long and influential life. Thanks to Mrs.Lee, Jim Bruni, and Ken Hilfmann, I was inspired to become a teacher. I retired from my Social Studies teaching job in 2011 after 41 years, first at Leonia High School and then Housatonic Valley Regional High School in Connecticut. Mrs.Lee was a role model of good teaching. Dave Bayersdorfer##imported-begin##David Bayersdorfer##imported-end##*

“ Aunt Peggy was such a wonderful woman and a true inspiration. Although I only visited her once in Pennsylvania at the ripe old age of 4, I will look back on pictures of that trip with fond memories and happiness. I remember talking with Aunt Peggy on the phone as a child and young adult about my grades in school, and I can still recall how pleased she was to hear that I chose to major in English in college. I always felt proud when she would compliment my penmanship and grammar in letters I sent her! She will certainly be missed.##imported-begin##Kristen (Lee) Brierley##imported-end##

“ Susan, Janet and families, Our sincerest condolences at the loss of your Mom. She and my Uncle George were truly remarkable people whom I admired very much, and I will always remember Peggy as being the most gracious person I ever knew. I'll always treasure the memory of many happy times spent at 119 South Street, and the times your family shared Gram with us for visits in Connecticut when we were kids. May your own loving memories of your Mom comfort you today and always. God bless.##imported-begin##George and Deb Lee##imported-end##

“ Am sending my heartfelt condolences to Mrs. Lee's family. I especially want Janet, her daughter, to know how many wonderful memories I have of our time together at Keuka College. So many lives have been touched by Mrs. Lee and I'm sure her family and friends will hold many fond memories of her in their hearts. I'm sure Mrs. Lee is in heaven with "Chic" and Mary-Margaret Springhorn celebrating together and looking down upon us with great pride and joy! “ Susan, Janet and family, I will never forget your Mom, she was a remarkable woman. My favorite memory was visiting Aunt Peggy and Uncle George's home and running up and down the stairs. There were so many beautiful porcelain items nearby and my Mom would say, "be careful" and Aunt Peggy would say, let her play, she's only a kid. She was amazing and I will never forget her. Have comfort knowing she is with God and all whom love her in Heaven. “ Janet and Susan: Gary and I send you our deepest sympathy on the loss of your mom. Hopefully you remember that we purchased your South St. home in 1977 and lived and raised our family there for 28 years. I lost touch with your mom when we moved to the Jersey Shore in 2005. She was the epitome of a lady, and we were proud to be the owners of the "Lee" home. Please know that our thoughts and prayers are with you at this sad time. If you wish, please contact us by email. Would love to hear from you.
