“ *A beautiful woman whom I always admired. She guided me in my youth as stubborn as I was. Thank you Mrs. Angeli for all you did for me. You were an amazing mother and mentor to many of us misfits growing up ♡. You will surely be missed and you were by far loved by so many. Your suffering and pain is gone, may your family's mournfulness and bereavement be swift and brief. I send my best to them all. Peace and love to the Angeli Family at this time.*
