“ *To the MCCann and Mallon Family: I would like to extend my condolences to your family for your loss. Losing a family member is not something you could ever be prepared for. When I loss my father many years ago, I found comfort in knowing that the Bible promises that soon "death will be no more." Hopefully, you too will find comfort in that and will be able to see your love one once again on a peaceful new earth. Sincerely, Solonge Mann*
