

Margaret Mormino

April 16, 2026

Margaret “Marge” Morea Mormino, 95, passed away peacefully on April 16, 2026, surrounded by her loving family.

Marge was predeceased by her beloved husband, Joseph Mormino, in 2000 and her son Richard. She is survived by her devoted children Jo-Ann (Bruce), Frank (Terri), Joseph (Laura), and Anthony (Anna), her cherished grandchildren Nicole, Kenny, Tracy, Anthony, Frankie, Ashley, Kerrysa, Kelly, Dana, and Christopher, and her 18 great-grandchildren, who were a constant source of pride and joy.

Born on September 6, 1930, to Anthony and Nicola Maria (De Tomaso) Morea, Marge was one of 17 children. She is survived by her brother Dominick Morea and her sister Vivian Thornton, as well as many nieces, nephews, cousins, and dear friends.

Marge was born and raised in the Bronx, New York, just blocks from Yankee Stadium. She worked as a secretary in Manhattan before marrying her childhood sweetheart and neighbor, Joe Mormino, on September 16, 1951. In

1960, they settled in their home in Oradell, New Jersey, where they raised their children and created memories for more than 62 years. During that time, Marge became a cherished part of the River Dell Middle School community. In 2022, Marge relocated to Brandywine Assisted Living in Wall Township, where she once again found a warm, caring community she proudly called family.

A devoted mother, grandmother, and great-grandmother (G-G Ma), Marge's greatest joy was caring for those she loved. Sunday dinners were a cherished tradition, bringing together family, friends, and neighbors alike. She was truly the heart of her family—her kitchen forever filled with warmth, laughter, and the unmistakable aroma of her legendary meatballs.

Marge enjoyed trips to Atlantic City, playing Skip-Bo with her grandchildren, knitting, cooking, baking, and tackling crossword puzzles. She was an avid fan of the New York Yankees and the Game Show Network, but nothing delighted her quite like scratching lottery tickets.

Marge was deeply loved by all who knew her, and her warmth, generosity, and unwavering devotion to family will never be forgotten. She will be profoundly missed.

“ I was a friend and high school classmate of her son Frank and I remember stopping by on Sunday afternoons with our buddies and always graciously being offered the opportunity to sit down and have leftovers from the Sunday dinner. I can still picture standing in Mr. and Mrs. Mormino's kitchen chatting and eating pasta. Those were great days.

Aunt Margie will always hold a special place in the heart of the Morea family. She was more than an aunt—she was a presence of love, warmth, and quiet strength that brought us all together in her own special way.

I will always remember her kindness, her gentle spirit, and the way she made everyone feel welcomed and cared for. Whether through her words, her laughter, or simply her presence, she had a way of leaving a lasting impression on all of us.

She represented the true meaning of family—love, unity, and resilience. Her legacy will continue to live on through the memories we share, the values she instilled, and the love she gave so freely.

Aunt Margie, you will never be forgotten. You remain forever in our hearts, a beautiful part of the Morea family story. Love your niece,
Diane Morea

*To my Dearest, Glowing, Smiling Aunt Marge,
I shall always remember her as my second Mother, always there when I called & that was frequently to say the least. When her phone wasn't working properly, it was all so frustrating not to be able to reach her. I shall always remember nights of laughing heartedly on the tellie while watching movies, her disbelief that Keira Knightley played both main characters in Anna Karenina & Love Actually. Her disbelief that Judd Law was Anna Karenina's husband. She just couldn't recognize them! And we would laugh & laugh.*

At times, we would giggle about the antics of her school life, her many dear friends, whom she adored. The "fun" they had — don't tell , but you know what I mean!!!

When I think of her I see her beautiful smile, feel her warm embrace. That trademark smile — it couldn't be missed. Her very being was positive, yet she was most perceptive of another's feelings & knew when to console, comfort, make things brighter. She was heartwarming

Her legacy is as proud Matriarch to her most beautiful Family, all of whom she adored & talked @ endlessly, so proud of their accomplishments. She glowed w/admiration.

Matriarch, twinkling eyes, beautiful smile, engaging spirit. Someone you wanted to keep forever. But there is no forever not here on earth. I, & all who knew her, shall miss her desperately.

Now, it is God's time to return her to His heavenly Home, where she shall forever shine as she joins her sister, my Mother, all the Morea Family & all her dear friends in peace, warmth & bright light. May God hold her in the Palm of His Hand.
