“ I was so sadden to here of Peg's passing. I just lost my own Dad before Christmas, so I know what you are feeling. My first memory of Peg happened I was sitting outside while my son, Scott, was riding his little car up and down the driveway. Peg came over and introduced herself and we talked about ourselves and children. We became friends. Peg would come to my door with a gift for Scott or Irish Soda bread for me (she knew I loved it)! I have missed her smile, her laugh, I will miss Peg!##imported-begin##Lorraine, Jack, Scott Williams##imported-end##
