“ To The Sherwood Family, My sister in law's mother Dot Bullough past away a couple of days ago and I came to this website to send a note of condolence. When I completed my note, I noticed that Peggy past away. My name is Deena and Peggy worked for my father Dr. Lazar for many years. My sisters and brothers and I worked in his office with Peggy and I have to say Peggy was the BEST. We had so much fun with her. She told us stories and always had us in stitches. I am saddened to see that Peggy was ill for so long. I just talked to my sister to tell her about Peggy and we were very sad, but it brought back great memories we will always remember the good times with Peggy - her smile and how she made us laugh. Our deepest sympathies, Love, The Lazar Family###imported-begin##The Lazar Family###imported-end##

Peggy Sherwood, in her true Irish spirit, will always dance in my heart...drumming a lifelong reminder to sing, laugh, love and yes...to dance once again. During this time, my heartfelt sympathy is with you. My memories of your mother and family will always be happy. We had so much fun! Love,

“ Dear Kenny, Billy, Denise and Little Peggy, My thoughts are with you. I loved your mother as if she was my own...and often felt that way as a child. I have thought of her often and wish her a beautiful journey in her next life. A Long Goodbye.....by Ellen Smith It's been a long time since we first felt the beginning to this end. And today we pray before you; your family and your friends. We've watched your thoughts get more obscure with every passing day; As this heartless thing called Alzheimer's made them fade away. Gradually it took the gleam from those once so loving eyes. To befall on such a giving woman...it seemed so unjustified. Stripping you of everything, leaving nothing in its place... Except a look of sadness left upon your face. As long as we have searched, through all the tears we've cried... We've tried to find the reason for this long good-bye. But now it's time to take back all your memories... As you are finally free from this cruel disease. We pledge to remember the woman that you once were; A good hearted, giving woman is all that will be heard. And every night when we look up and see a certain star... We will know within our hearts exactly where you are. So on this day we say good-bye as you now depart. Although far from our touch, never far from our hearts. I love you my "BIG PEGGIE" Roselle###imported-begin##Roselle Perrucci###imported-end##
